May Play Off Campus.

LINCOLN, Neb., Dec. 3.—A meeting of the heads and governing boards of universities in the Missouri valley conference has been called for Lincoln, January 19, to consider the problem of allowing one football game each season to be played off a university campus. The meeting has been called as a result of Kansas alumni in Kansas City, who have petitioned Chancellor Strong of the University of Kansas to have the annual Kansas-Missouri game moved to Kansas City. The proposition interests Nebraska, inasmuch as Omaha, having probably more graduates than any place in the state, has frequently petitioned to have one game played in that city.

For the juniors abbott and Done, who played the guards, and Briggs at center, did well. They are men of experience, but lacked the speed which characterized the play of the underclassmen.

A second game was scheduled between the sophomores and seniors, but the seniors failed to appear at the appointed hour and the coach forfeited the game to the sophomores.

Refusal of Rivers for Return

Cross, of course, would prefer a return match with Rivers, but the Mexican lightweight is hot after Willie Ritchie and unless the champion refuses to give him a battle there is not much probability of Cross and Rivers hooking up again. Ritchie has informed Rivers he will give him a reply after his bout with "Harlem" Tommy Murphy.

Cross will not go to San Francisco to attend the Ritchie-Murphy scrap Wednesday night, but will be at the Vernon ringside on Tuesday night to see his two prospective opponents in action.

According to reports from his training camp, Anderson is working well and is in tiptop condition.
